Please feel free to substitute any items with what you may already own. If using watercolor paints from tubes you MUST have a paint palette with both wells and a lid. Example (Tom or Jane Jones Palette from Cheap Joe's Art supplies) Lid will provide easy transport as well as a surface for mixing paint. If they are older paints you may need pliers to open.

Additional items you may want to bring, but are not required: watercolor pencils, watercolor markers, any additional brushes or paints you may already own.

Recommended brands: Windsor Newton, Mungyo, Daniel Smith,

Brands to avoid: Artist loft, Koi, Grumbacher
