

## **Mandalas**

Christine Otis

***Supply Fee: \$15 Made payable to the instructor for supplies listed below.***

### **Student Supply List**

Medium: Acrylic paint: thinner acrylic paint is better than heavy body. For this reason, I suggest Craftsmart or anything similar, or Golden brand high flow or fluid paints. You can use Liquitex paints or other heavy body paints, or any acrylic paint. If it is too thick, you can thin it, but it is easier to use if it is already thinned, which is why I recommend Craftsmart or Golden fluids or high flow paints.

Apron/smock

Dotting tools (Craftsmart 6 piece dotting tools)

pencil, eraser, ruler

Acrylic paints: Chose 1 color you like, and black and white paint.

Other colors will need to be purchased after your first project completion, and those color(s) will be determined upon completion of your first project, which I will go over in class.
