## **Student Supply List:**

Apron/smock

Pencil, eraser, ruler

Circle and oval templates

Small color wheel

You can purchase a big pack of Crayola or Crazy Art markers (64 pack)

Or Staedtler brand

Or if you're more serious—Copic, Prismacolor or Arteza markers

You can also use Sharpie markers

It's good to have a mix of fine points, with markers that can produce thicker lines, and/or a brush marker.

These are just suggestions.

All materials can be purchased at Michael's—or you can go online to purchase markers, like Jerry's Artarama, Dick Blick, Amazon, etc.
