Drop off procedure: First day of class, parents/guardians are shown where their child's classroom is located and children may be dropped off at classrooms for the rest of the course session. **Pick up procedure:** Pick up is promptly at the end of class, at your child's assigned classroom space. Please be on time, we do not have the facilities or personnel to care for your child when he/she is not in class. **For your child's safety:** If regular parent or guardian cannot pick up your child, please provide advanced signed written permission for the release of your child to another adult's custody. Also, please provide signed written permission for the release of your child if she/he is to be allowed to walk or bike home from the Centers for the Arts. **Attendance policy:** If your child is going to be absent, please notify us 239-495-8989. **Emergency communication:** If you need to contact your child during a program session, please call the front desk, 239-495-8989. **Medications, First Aid & Safety:** If your child needs to take prescribed medication, please see our front desk personnel. Medications are kept under lock and key and dispensed by staff following parent/guardian's written instructions. **Toilet Training Policy:** All children must be toilet trained before entering programs (Mommy & Me class is the only exception). This also means no Pull Ups. Children must be able to clean themselves without teacher assistance. If your child has a bowel movement or urinates in his/her pants during class you will be called to come and clean your child and provide clean clothes. Please know that this is for health, safety and legal concerns to protect both your child and the teacher. **Medical Issues:** For your child's protection in the case of any medical issues, parents are always notified via cell phone, and, in emergency 911. It is important we have primary and secondary emergency cell numbers for your child. **Media Release:** Photographs and video taken either as Center for the Arts or Media documentation of ongoing programs and performances have parental and/or guardian approval with completed Registration Form and enrollment in noted courses and performance production.
